

## LIMITED LIFETIME WARRANTY Y-FRAME BASKETBALL BACKSTOP

IPI by Bison ("The Company") warrants its Y-Frame Basketball Backstop structure against defects in material or factory workmanship for the lifetime of the facility where originally installed ("The Warranty Period"). This warranty is limited to the original purchaser, and applies only to the backstop structure, which shall include the main backstop framework, jackknife, all ceiling superstructure clamps, hangers, and braces.

This warranty does not include 8' - 10' height adjustment units, winches, cables, cable guides, backboards, goals, or safety belts. These items are covered by a separate warranty. (See next page.)

If a defect is discovered during the warranty period, The Company must be notified in writing within thirty days of the discovery. The Company will, at their option, repair or replace the defective equipment at no cost to the purchaser.

The following use/conditions will void this warranty:

- a) Equipment that has not been installed according to the manufacture's specifications.
- b) Equipment that is used for purposes other than those for which it was originally designed.
- c) Equipment that is not used in accordance with generally approved practices.
- d) Disasters, whether natural or manmade, such as fire, flood, wind, earthquake, lightning, war or vandalism.
- e) Unauthorized alterations to or modifications of the equipment not approved by The Company in writing.
- f) Operation of the equipment by persons not properly trained for that purpose.

The Company's liability under this warranty is limited to the repair or replacement of defective equipment. Your sole and exclusive remedy against The Company shall be for the repair or replacement, at The Company's option, of any defective equipment. In no event shall The Company be liable for any incidental damage or consequential damages relating to or arising out of or in connection with the use or performance of the equipment, including, without limitation, bodily harm, any labor and/or other installation expenses incurred in connection with the replacement of any defective equipment warranted hereunder, or any other indirect damages with respect to loss of revenues or profits. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This document constitutes the warranty in its entirety and no other provisions express or implied exist. This includes, without limitation, any implied warranties of merchantability and fitness of a particular purpose. Any modifications of this warranty must be in writing and signed by an officer of the company. No other person, agent, or representative of The Company has any authority to change or modify this warranty, either verbally or in writing.

This warranty gives you specific legal rights, and you may also have other rights, that may vary from state to state. Because of these state laws, certain provisions of this warranty may not apply to you.

The Company reserves the right to modify or change equipment at its discretion to improve the safety, operation or usefulness of the product.

### **WARRANTY INFORMATION**

All IPI by Bison products are warranted against manufacturing defects at the time of delivery. In addition, most products are covered by warranty periods stated in the description of the product. Where listed as "limited", warranties cover damage or failure that occurs during the course of "normal or intended use" of the warranted product. Normal or intended use is described as activity that is necessary for the participation in the sport for which the equipment is designed.

IPI by Bison limited warranties do not cover any damage or failure that is the direct or indirect result of any use that is not deemed in the sole discretion of IPI by Bison to be "normal and intended use".

When warranties are stated as "unconditional" or "unconditional replacement", the above stated limitations do not normally apply.

Whether or not stated as such, all IPI by Bison warranties allow IPI by Bison to repair or replace warranted products at IPI by Bison's sole option.

Normal deterioration of products due to weather, wear and tear, or other causes that do not affect functional use are not covered by IPI by Bison warranties, regardless of type of stated warranty.

All warranties are valid only when product is used in the intended application as outlined in IPI by Bison's printed literature, when installed according to Bison's instructions and when matched with compatible components as described in Bison's literature.

Due to the abusive nature of pay-to-play facilities, unless specifically agreed to in writing, IPI by Bison products carry no warranty except for obvious manufacturing defects when used in a facility where players pay an individual or group fee to use Bison equipment.

IPI by Bison will pay ground freight only to repair or replace defective merchandise. Unless otherwise stated, IPI by Bison will not assume any liability for labor costs incurred for removal or replacement of product replaced or repaired under warranty.
