

## BACKBOARD AND RIM OPTIONS

### BA42XL Glass

This popular (unbreakable) 42" x 72" glass backboard is perfect for competition courts and integrates an "off glass" goal mounting design that isolates the stress of dunking or hanging on the rim from the ½" tempered glass. This allows us to offer an **unconditional lifetime warranty**.

### BA68U DuraSkin®

DuraSkin® is the original premium molded bolt-on backboard padding and meets all NCAA, NF and FIBA rules. Available in Black, Kelly Green, Scarlet, Royal, Orange, Forest Green, Columbia Blue, Maroon, Gold, Gray, Purple, Navy, Vegas Gold, Cardinal, Brown, Burnt Orange and Pink. Bison BA42XL above is predrilled for easy bolt-on mounting. **Ten-year replacement warranty.**

### BA455 Fiberglass

42" x 72" Fiberglass Backboard is 1" thick and features 1/8" thick front and rear high gloss gel coated fiberglass skins sealed around a solid wood composite core. The front has a permanently molded-in border and shooter's square and the rear has threaded steel inserts for rigid permanent mounting. **Ten-year limited warranty.**

### BA465 Fiberglass

Popular 39" x 54" fan shaped fiberglass version of BA455 backboard above. **Ten-year limited warranty.**

### BA495 Steel

Our most affordable gym backboard option. Great for side courts, elementary schools or other facilities where a competition size glass board is not required. 39" x 54" fan shaped, 12 ga. steel skin has heavy rear steel support structure, white powder coated finish and orange shooter's square and border. **Ten-year limited warranty.**

### BA35S Breakaway

ProTech™ Breakaway Goal fits all **rectangular** glass and fiberglass backboards above and is supplied with a premium anti-whip net. **Unconditional three-year replacement warranty.**

### BA35 Universal Breakaway

ProTech Universal Breakaway Goal fits all **rectangle** and **fan** shaped fiberglass and steel backboards above and is supplied with an anti-whip net. Great replacement goal that fits all manufacturers' front mount backboards. **Unconditional three-year replacement warranty.**

### BA3180S 180° Breakaway

Baseline™ 180° breakaway goal is a popular choice for collegiate and high school programs where dunking is common. Baseline flexes to the front like standard breakaway goals but also flexes to the left and the right in a 180° arc, for player and backboard protection from any direction. Fits all **rectangular** backboards above. **Three-year repair or replacement warranty.**

### BA27 Fixed

Standard official goal for use in facilities where dunking or hanging on the rim is unlikely and the backboard and player protection of a breakaway goal is not needed. Fits all styles and manufacturers backboards. **One-year limited warranty.**
